
FACILITY TECHNICIAN - Repost

Casual Employment Opportunity

Reporting to the Shift Supervisor, Facilities, the Facility Technician is responsible for ongoing, maintaining daily operations, maintenance and (internal & external) repair and upkeep of equipment, building systems, components, furnishings and equipment at all Manitoba Lotteries locations. Work is undertaken in a team environment in various shifts depending on the needs of the core business and its support functions and its assets, as well as preventative maintenance.

Duties:

- Review work service requests for any particular/specific requests that need attention for the day.
- Complete daily preventative maintenance checklist (i.e. lighting, carpeting, electrical, plumbing, HVAC, etc.).
- Conduct daily check on Apogee unit for temperature, RTU's, and all other operating units to ensure they are running properly.
- Change filters and reset units as required.
- Conduct external grounds inspection as it pertains to outdoor lighting, when necessary.
- Respond to radio calls for urgent service and repairs etc.
- Complete work orders and assist contractors.
- Perform high-pressure washing on equipment as required.
- Check all lighting inside and outside the building and change light bulbs as required.
- Monitor flooring for safety and repair as required.
- Install, reconfigure and construct office modular furniture.
- Maintain, replace and repair all chairs and stools (i.e. burns, rips, stains, breaks, etc.).
- Change the felt on all Table Games table layouts and recover all bumpers.
- Check all domestic water tanks, taps, sinks and kitchen appliances to ensure no sewer blockage and all are in proper working order.
- Service all washrooms and ensure toilets and sinks are working properly.
- Remove and replace any cracked toilets, urinals and sinks.
- Perform any plumbing related repairs and maintenance.
- Check and service sewer lift systems and grease traps.
- Conduct visual check in all areas of the Casino (inside & outside) for any damages (chips, dents and touch-ups, etc.).
- Perform touch ups and painting as required.
- Coordinate and oversee contractor's activities to ensure specifications are completed properly.
- Communicate larger issues to Supervisor/On Call and mitigate issues to delay service until casino closed hours where possible

Primary Qualifications:

- Must have a Grade XII High School Diploma or G.E.D. equivalent.
- Certification in Power Engineer Class 5, BOMI-SMT (Systems Maintenance Technician) or formal training in a trade related to building maintenance (i.e. electrical, carpentry, plumbing, HVAC, etc.) is an asset.
- Must have certification in Forklift, Scissor lift and Boom lift training which may be acquired on the job. These require re-certification. Training by Contractors may be required and will be provided on the job.
- Must have and maintain a valid Manitoba Class 5 Driver's License.
