COMMUNITY PROJECT

The Manitoba Liquor & Lotteries Small Capital Sponsorship Program is designed to provide support to charitable and non-profit organizations in Manitoba for small capital projects that focus on benefiting Manitoba communities. Please share an overview of the project and how the project will benefit the community at large:

Overview of the project:

How will the project benefit the community?

How will the project be maintained going forward?

PROJECT BUDGET AND TIMELINE

Sponsorship funding under the Small Capital Sponsorship Program will generally not exceed 50% of the total project cost. Minimum funding under the program is \$2,500. Maximum funding under the program is \$30,000. The project must have a total cost of at least \$5,000 and not more than \$300,000 over the life of the project, and a useful life of five years. A small capital project is defined as follows:

- A new construction, expansion, renovation, or replacement project for an existing facility or facilities. Project costs can include the cost of land, engineering, architectural planning, and contract services needed to complete the project, ie: community club, skating rink, swimming pool, additions or upgrades to an existing facility.
- The purchase of major equipment (assets) ie: ice resurfacer, commercial freezer/stove/refrigerator.
- A major maintenance or rehabilitation project for existing facilities, ie: new roof for a building, flooring in a community centre, or repair of water damage to a facility.

Please check the category your community project best fits with:
