

GROWLER FACTS

WHAT ARE GROWLERS/HOWLERS?

Growlers and Howlers are refillable beer containers. They are commonly sold at breweries and brewpubs as a means to sell takeout craft beer. With the popularity of craft beer, these containers are becoming an increasingly popular format in North America. At Manitoba Liquor Marts, a 1.89L growler is \$4 (not including fill); a 946 ml howler is \$3 (not including fill).

HOW DO I BUY AND FILL GROWLERS/HOWLERS?

Purchase an empty growler or howler at any Liquor Mart Growler Bar or bring your own clean growler or howler. Staff will fill the container with your choice of beer listed at the Growler Bar. Pay for the beer.

GROWLER ETIQUETTE

- Staff will be happy to fill/re-fill your growler.
- We will refill any 1.89L growler or 946ml howler as long as the container is clean and undamaged.
- Customers are responsible for cleaning their own bottles.
- To clean your growler/howler, wash in warm water, sanitize, rinse and air dry. Do not use fat or oil based ingredients. Store with the lid off. (Brushes and sanitizers are available for sale.)
- Your growler/howler will remain fresh 7 – 10 days sealed. Please drink within 2 days of opening. Keep filled growlers cold and store away from direct sunlight.
- Filled growlers/howlers cannot be returned/exchanged.
- Empty growlers/howlers are not redeemable for refund. You do not pay a deposit on the bottle when it is purchased. Keep it clean and reuse it as many times as you like.
- Try before you buy! Samples are available.
