STONEWALL LIQUOR MART OPENS TODAY

Stonewall's new Liquor Mart opened for business at 10:00 a.m. today.

"In recent years, Stonewall has seen a real boom in their population and was ripe for a full-service Liquor Mart," said Roman Zubach, the MLCC's Chief Operating Officer.

The 4,000 square foot store features an expanded fine wines section and modern décor with environmentally-friendly features including energy efficient lighting and water conserving fixtures. Customers will be able to browse through an increased product selection of almost 1,500 listings, and friendly, knowledgeable staff will be available to assist shoppers with any questions they may have.

Liquor vendor service in the community had been previously provided by the Stonewall Pharmacy, owned by the Appleyard family since 1961.

"For over 50 years, we have had an excellent working relationship with the Appleyards," said Zubach. "We are happy to be able to continue the relationship, now in the form of tenant and landlord."

The Stonewall Liquor Mart will be open Monday to Friday, 10:00 a.m. to 9:00 p.m., Saturdays 10:00 a.m. to 7:00 p.m., and noon to 6:00 p.m. on Sunday. It is located next to the Stonewall Pharmacy at Unit 19, 333 Main Street in Stonewall. It is the 52nd Liquor Mart retail outlet in the province.
