
ITS ARCHITECT

TA/Full Time Employment Opportunity

Reporting to the Manager, Architecture, Analysis and Recovery, the ITS Architect is responsible for carrying out the operational aspects of Manitoba Liquor & Lotteries' Enterprise Architecture (EA) program, as well as the execution of the EA governance processes, and maintaining all EA records and documentation. Each ITS Architect will generally be responsible for a domain (e.g., network, applications, information security, etc.) and may be assigned to a specific line of business as an area of focus.

Duties:

- Create enterprise architecture strategies as assigned.
- Create enterprise project architecture as assigned.
- Ensure the design of IT solutions meet business and non-functional requirements, IT standards and principles and can be successfully supported.
- Lead an IT Solution Design Team for projects and facilitate team meetings to collaboratively design solutions which meet business and technical requirements.
- Act as a liaison between project managers and project implementation team.
- Maintain enterprise architecture documentation; including Framework and Process documentation, Conceptual Architecture, IT Principles, IT technical standards, EA models, short and long term strategy, capability maps and architecture patterns.
- Establish non-technical/technical/solution requirements which support IT objectives and goals.
- Ensure EA practices are in alignment with TOGAF (The Open Group Architecture Framework). Recommend changes to improve EA practices.
- Participate in the development of EA standards and principles across the enterprise and within EA domains (e.g. networks, applications, information security, management, etc.)
- Identify and report EA violations to management.
- Research a range of technology options to serve identified business strategies.
- Identify the most appropriate technology solutions for the organization's business needs.
- Stay current with industry trends, best practices and emerging technologies.
- Develop and/or oversee the development of position statements on the use of technology solutions within Manitoba Liquor & Lotteries.
- Participate in aligning enterprise architecture with the organization's annual Strategic Plan and also with other technology departments (e.g., Corporate Security, Corporate Production).
- Assist in creating and maintaining a list of strategies and priorities, based on business needs.
- Assist in the development and maintenance of the Information Technology Services (ITS) five-year enterprise architecture strategic plan.
- Participate in the development and evaluation of RFI and RFPs for strategic technology purchases.
- Other related duties as assigned.

Primary Qualifications:

- Completion of a recognized degree or diploma in Computer Science or a related IT discipline.
- A minimum of nine years Information Technology related experience.
- A minimum of five years senior level domain experience (e.g. networks, applications, information security, management, etc.)
- A combination of leading edge technology innovations combined with knowledge of MBL's operations in order to create practical solutions.
- Strong analytical and organizational skills.
- The ability to work in a team environment.
- A broad knowledge of technology (networking, applications, software development, databases, internet, etc.) and business analysis (requirements gathering, modeling, etc.).
- Continuous upgrading/learning is required to remain current in information technology.
- Lifelong learning in developing innovative ways of acquiring and transferring knowledge in complex circumstances.

Secondary Qualifications:

- Bilingual (French/English) language skills.
- Industry credentials in Architecture Frameworks are considered an asset.
- Project Management training is an asset.

****Testing may form part of the screening/selection process. Employment Equity will be a factor in the recruitment process. Circumstances may arise where the bulletin may need to be withdrawn or the number of positions may need to be increased.*

Salary: \$37.71-\$50.03

Bargaining Unit: Exempt

Location: Empress
