What is Powerbucks™ and what can players win?

Powerbucks™ is Canada's first multi-jurisdictional and multi-platform slots game—meaning players from brick-and-mortar casinos and online casinos across multiple provinces can compete for the same jackpots. Powerbucks™ offers a static \$1 million jackpot for bets ranging from \$.50 to \$3. Bets \$3 and above are eligible to win the Powerbucks™ progressive jackpot, which starts at \$1 million and grows.

When did Powerbucks™ launch and where is it available?

Powerbucks™ was first launched in B.C. in July 2016, then later that year in Manitoba and Quebec. The game is available online and in casinos in all three provinces. In Manitoba, Powerbucks™ is available at Club Regent Casino, McPhillips Station Casino, Shark Club Gaming Centre, and online at PlayNow.com.

How often is a Powerbucks™ jackpot expected to be won?

On a progressive slot machine, the more bets players make the faster the jackpot grows. As the network of Powerbucks™ players grow, so do the chances of triggering the static \$1 million jackpot and the \$1 million plus progressive jackpot. It was estimated the \$1 million static jackpot could be won 1-3 times a year, while the \$1 million plus progressive jackpot could be won once a year.

Since the Powerbucks™ launch, the progressive jackpot has been won three times, while the static \$1 million prize has now been won two times. Powerbucks™ is currently paying out more prizes than expected and players love it.

Is Powerbucks™ the largest progressive slot jackpot available in Manitoba?

Powerbucks™ jackpot offers the largest progressive slot jackpot currently available in Manitoba.

What was the largest progressive slot jackpot prize awarded in Manitoba prior to this win?

The largest jackpot awarded on a slot machine at a Manitoba casino or gaming centre was \$566,135. The prize was won on the now discontinued Fountain of Fortune slots on December 10, 2014 at McPhillips Station Casino.

Manitoba's largest online progressive slot jackpot prior to this win was awarded on September 8, 2017, to player Jill Palitsky who won a \$410,079.15 progressive jackpot on PlayNow.com.
